ABOUT THE TOURNAMENT SPONSOR, WALGREENS

The mission of Walgreens is to be the most trusted, convenient multichannel provider and advisor of innovative pharmacy, health and wellness solutions, and consumer goods and services in communities across America. A destination where health and happiness come together to help people get well, stay well and live well.

ABOUT THE BOYS & GIRLS CLUBS OF SOUTHEAST LOUISIANA (www.BeGreatSELA.org)

The Boys & Girls Clubs of Southeast Louisiana (BGCSELA) are part of a national organization, Boys & Girls Clubs of America, which is comprised of nearly 4,000 individual clubs that serve over 4 million children annually. They provide quality learning environments that encourage youth, especially those most in need, to reach their full potential as productive, caring, and responsible individuals.

For more than 40 years, members have had the opportunity to learn and grow - while setting goals, developing lasting relationships, and giving back to the community. Through these formative experiences, members acquire the tools to help realize their full potential.

BGCSELA offers a full schedule of club programs that promote the development of boys and girls. These activities build character, cultivate new skills and create a sense of belonging.

ABOUT THE BOYS & GIRLS CLUB WESTBANK UNIT

The Westbank Unit, often referred to as the Westbank Boys & Girls Club, opened on January 20, 1969. The club moved to its current location at 900 10th Street, in April 1986. The City of Gretna leases the building to BGSELA at no cost.

The Westbank Unit is open to kids ages 6-18 during those vulnerable after school hours from 2:30pm - 7pm, Monday thru Friday. We are also open from 9am - 6pm during the summer and on other school vacation days. We provide homework assistance, recreational activities including basketball, flag football, cheerleading, ping-pong, pool and video games, plus activities in the arts, such as photography, dancing, drama, and arts & crafts. And, on top of all the fun stuff, we expect all of our club members to participate in at least one of our Character and Leadership groups, Health & Life Skills courses, or Education and Career Development trainings per week. This programming is based on a youth development strategy that instills a sense of competence, usefulness, belonging and influence in ways that enhance the self-esteem and self-worth of our club members.

We do all of this for only \$5.00 per year. Yes, you read that correctly, only \$5.00 per year. We keep the fees low so that cost is never a factor in whether or not a child attends our programs. Your sponsorship and/or participation in the 2nd Annual Walgreens Golf Tournament helps us ensure that we are able to continue to provide these vital services to our club members.

For more information about the Westbank Boys & Girls Club, please contact the club at (504) 368-3434.
